Unit Trust - Fixed Establishment Kit

This Kit has been prepared by Maddocks.

Introduction: Understanding the structure of the Trust

The Unit Trust - Fixed structure

The Cleardocs Fixed Unit Trust in this document package is a trust under which:

- “ordinary” units of the one class are created and issued to the unit holders.
- all unit holders have the same rights and obligations.
- each unit holder is entitled to a proportion of income and capital distributions equal to their proportional holding of all of the total issued units in the trust.

Further Classes of Units?

If you require a unit trust with further classes of units, then you must seek legal advice. Please contact Cleardocs on 1300 307 343 so that we can refer you to Maddocks who can provide you with a free estimate of fees for drafting the necessary amendments to the Cleardocs deed so that it suits your needs.

Other types of trust?

Cleardocs also has available a hybrid trust deed, a discretionary trust deed, and a non-fixed unit trust. (The unit trust in this document package is a fixed unit trust.) Please see the product pages on our website for information on the trusts created by these deeds.

Process: Establishing the Unit Trust - Fixed

To effectively establish the Sample Fixed Unit Trust, you need to arrange for the following formalities to be completed.

Sign the documents – in the right order

- 1 The relevant parties (as indicated) must properly execute each of the documents in the package. Before the trust deed is executed, the trustee should execute the consent to act, and the initial unit holders should execute the application for units.
- 2 You then need to arrange for the unit trust deed itself to be signed by the parties.
- 3 If a company needs to execute the unit trust deed (either as the trustee or a unit holder), then the Deed of Variation can be executed by:
 - using the company's seal; or
 - being signed by any of:
 - any 2 directors;
 - a director and the company secretary; or
 - if the company has only 1 director, that director.
- 4 The documents will include execution clauses created on the basis of your answers to certain questions on the Cleardocs site.
- 5 If you are not sure about the requirements for executing legal documents, then please see our FAQ on this on www.cleardocs.com. Follow the links to 'Resources', then 'Frequently asked legal questions', then 'signing and witnessing documents'. If the FAQ does not resolve your queries, then call the Cleardocs helpline on 1300 307 343 and Cleardocs will put you in touch with a lawyer from Maddocks.

Trustee's directors' meeting

- 6 A meeting of the directors of the trustee company must be held in accordance with that company's constitution. At the meeting, the directors must resolve that the company consents to act as trustee of the Sample Fixed Unit Trust. That resolution must then be put on the company register of the trustee and a copy of that resolution must be placed on the register of the unit trust.

Unit holders to pay

- 7 Each of the initial unit holders must pay the trustee the amounts they are required to pay (at this stage) in relation to the initial units: this is when the trust is established. This amounts are:
- 7.1 They jointly pay \$10 to settle the trust; and
 - 7.2 They each pay the amount they are required to pay for their initial units.

Trustee to issue certificates

- 8 The trustee must issue to the initial unit holders their respective unit certificates. Copies of those documents should be placed on the register of the unit trust.

Copies of the trust deed

- 9 The initial unit holders are to be provided with counterpart copies of the trust deed with the original executed copy to be held by the trustee.

Pay stamp duty

- 10 The original and all counterparts of the trust deed should be lodged for assessment of stamp duty with the revenue office of the State or Territory in which the trust was established. The applicable amount of stamp duty must be paid. The amount varies according to the State or Territory.

Apply for an Australian Business Number (known as an 'ABN')

- 11 An application must be made to the Australian Taxation Office for an Australian Business Number.

Trustee to comply with its responsibilities

- 12 At all times, the trustee is to make sure that it carries out its duties in relation to the trust in accordance with the provisions of the trust deed. In this regard, the trustee should ensure that it reviews, and is familiar with, the terms of the trust deed.

A The trust

Establishment of the Unit Trust - Fixed

- 1 The initial unit holders are:
- John Sample,
 - Diane Sample,
- 2 ABC Pty. Ltd, ACN 123 456 789 has agreed to be the initial trustee of the trust.
- 3 They have jointly paid a settled sum of \$10 to the trustee, ABC Pty. Ltd, ACN 123 456 789, to establish the Sample Fixed Unit Trust which is to be governed in accordance with this deed. The initial unit holders have also paid for, and the trustee has issued to them, the number of fully and partly paid units in the trust specified in the Schedule.

Deed binds and benefits unit holders

- 4 This deed both binds and benefits all unit holders.

Issuing additional units

- 5 The trustee may create and issue additional units at any time. Unless all the unit holders provide their written consent otherwise, the price paid for each issued unit must be equal to the redemption price calculated in accordance with clause 29 at the time immediately prior to the units being issued. A person who is or becomes a unit holder is immediately bound by this deed and entitled to benefit under it.

Registration of the trust

- 6 The trustee must ensure that the trust is registered under the *Corporations Act* before the number of members exceeds 20.

Issuing fractions of units

- 7 The trustee may issue units in fractions. Their value is proportional to the value of a whole unit. If a holding includes more than one fraction of a unit, the trustee may consolidate them.

Consolidating and splitting units

- 8 The trustee may consolidate or split units, but only if each unit is consolidated or split on the same basis as every other unit. The trustee must notify each unit holder of the consolidation or split within 30 days after effecting it. The trustee must immediately amend the register to reflect the consolidation or split.

Issuing wholly paid and partly paid units

- 9 The trustee may issue units as wholly paid units or partly paid units. The issue price of partly paid units is to be paid partly on issue and partly by instalments. In the document offering partly paid units for subscription, the trustee must set out the terms, including payment terms, on which the units are to be issued, or must state that these are at the trustee's discretion.

Failure to pay an instalment on partly paid units

10 If a unit holder fails to pay an amount due on a partly paid unit on time, the trustee has a first and paramount lien over all units registered in the name of the unit holder. The lien extends to each of the following:

- any unpaid fees or calls in respect of the units;
- any interest that may be payable in accordance with the terms on which the partly paid unit was issued;
- any distribution declared at any time in respect of the units;
- any costs incurred by the trustee in attempting to recover the amounts due by selling the partly paid unit.

A lien over units is discharged if the trustee registers a transfer of those units.

The trustee may sell units over which a lien exists

11 The trustee may sell any partly paid units over which a lien exists, as agent for the unit holder. The trustee may only do so after giving the unit holder 14 days' notice in writing, specifying the amount overdue and demanding payment of it.

Proceeds of sale

12 The trustee may apply the proceeds of sale towards payment of the overdue amount. The trustee must pay the balance, less any costs incurred in the sale, to the unit holder. If the proceeds of sale are insufficient to discharge the overdue amount and to pay the costs incurred by the trustee in selling the units, the unit holder remains liable to the trustee for the deficiency.

Transfer of units to the purchaser

13 The trustee may sign the required transfer to the purchaser on the unit holder's behalf. The transfer is as effective as if the unit holder had signed it. The purchaser is not responsible for what is done with any consideration paid by him or her. The purchaser will not be affected by any irregularity or invalidity in the procedures followed by the trustee in connection with the sale.

Interest of unit holders

14 The trustee holds the assets of the trust as a separate fund on trust for the unit holders. The beneficial interest in the trust at any time is vested in the holders of units in the trust at that time, in proportions determined in accordance with the rights attaching to the units.

- Each unit entitles the holder to an equal share with each other unit holder of a unit in the beneficial interest in the trust as a whole;
- A unit holder is not entitled to any particular asset or part of the assets of the trust.

Restrictions on rights of unit holders

15 A unit holder must not do any of the following:

- interfere with the trustee's exercise of any right or power;
- exercise a right in respect of an asset or lodge a caveat or other notice in

- relation to an asset or claim any interest in an asset in any other way;
- require any asset to be transferred to the unit holder.

B Application for units

The issue price of units

16 Subject to clause 5, the issue price of a unit is set by the trustee.

The number of units to be issued

17 The trustee sets the number of wholly paid units issued by dividing the amount the trustee decides to accept from applicants by the issue price.

The trustee sets the number of partly paid units issued by dividing the amount the trustee decides to accept from applicants by that part of the issue price for those units which is to be paid on application.

Application for units

18 A person who wants to subscribe for units must complete and lodge an application form as required by the trustee. The applicant must enclose with the form the application money, or the transfer of property to be vested in the trustee. The application must be in the form required by the trustee. The trustee may set a minimum application amount for units. The trustee has an absolute discretion whether to accept or reject an application.

Allotment of units

19 The trustee allots units to a person by registering them in that person's name in the Unit Register. A person has no rights to a unit until it is allotted to him or her.

The register of unit holders

20 The trustee must maintain a register of unit holders. In it the trustee must record the following details:

- the names of the trust and the trustee;
- the names and addresses of each unit holder and the number of units held by them;
- the date when the units were issued;
- if the units have distinctive numbers or distinctive certificates, their numbers;
- details of all transfers and redemptions of the units;
- any other details the trustee decides to record.

The trustee must keep the register up to date

21 The trustee must keep the register up to date and must record any change of address of which the trustee receives written notice.

The effect of registration

22 The person who is registered as the holder of a unit is the only person whom the trustee will recognise as entitled to it.

Joint holders of units

23 If 2 or more persons are joint holders of units, the following conditions apply to them:

- the trustee is not bound to register more than 3 joint holders of a unit;
- the joint holders are jointly and severally liable for all payments, including payment of tax, which have to be made in respect of the units;
- if the death of a joint holder is proved to the trustee's satisfaction, the remaining joint holders are the only persons whom the trustee will recognise as having any title to the units;
- a receipt given by one joint holder for a payment or distribution is effective against the other joint holders;
- the person whose name appears first in the register as one of the joint holders is the person entitled to delivery of notices, payment or other communications; and delivery to that person is effective against the other joint holders.

Trusts etc not recognised

24 The trustee is not bound to recognise any beneficial, equitable, contingent or future interest of any person, whether under a trust or otherwise, in a unit held by a unit holder. This applies even if the trustee has notice of it.

Certificates of holdings

25 A unit holder is entitled to a certificate signed by the trustee that records the units held in his or her name. The trustee may decide the form of the certificate. Joint holders are entitled to only one certificate in their joint names.

Surrender of certificates

26 A unit holder must give the trustee his or her certificate when relevant units are transferred or redeemed, or special rights, restrictions or other conditions attached to them are varied. If that cannot be done, the unit holder must give the trustee satisfactory proof that the certificate has been lost or destroyed.

C Redemption, transfer and transmission of units

A unit holder may apply for redemption of units

27 A unit holder may apply to the trustee to redeem one or more units. The unit holder must do so by giving the trustee a completed form approved by the trustee for that purpose. If redemption of the specified units would result in the applicant holding less than the current minimum number of units set by the trustee, the trustee may treat the application as being for all the units held by the applicant. The unit holder may not withdraw an application for redemption.

Redemption

- 28 The trustee has an absolute discretion whether to accept an application for redemption or not.

The redemption price of a unit

- 29 The trustee must set the redemption price, rounded to the nearest whole cent, of a unit on the basis of the following formula, applied on the date the redemption takes place:

$$\text{Redemption price} = \frac{\text{Net asset value} - \text{transaction costs}}{\text{Number of units on issue}}$$

'Net asset value' means the value of the assets less the liabilities of the trust as determined by the trustee under clause 100.

The date redemption takes place

- 30 A redemption is to take place on the next business day after the day when the trustee becomes bound to redeem the units. If the trustee becomes bound after 5:00 pm on a business day, the redemption is to take place 2 business days later.

However, if the trustee has decided that units may only be redeemed on specified days, the redemption is to take place on the next specified day. If the trustee becomes bound after 5:00 pm on the day before a specified day, the redemption is to take place on the following specified day.

Payment

- 31 Within 90 days after the redemption, the trustee must pay the applicant the redemption price for the units. However, the trustee may deduct any money owed by the unit holder to the trustee on any account before paying the applicant.

The trustee must record the redemption in the register, and must cancel the returned certificate or record on it the details of the redemption.

Funds for payment

- 32 Apart from paying cash on hand, the trustee may do any of the following to pay the redemption price:

- borrow money;
- realise or sell any investment of the trust;
- transfer to the applicant assets of the trust to the same value as the redemption price for the units, or hold those assets on trust solely for the unit holder.

Suspension of redemptions

- 33 The trustee may suspend redemptions of units if, as a result of either of the following, it is impractical for the trustee to calculate the net asset value:

- the closure or disruption of the efficient operation of a market in which assets of the trust are traded;
- the trustee believes that the realisation of assets in prevailing market conditions would not reflect the value for the assets that could be obtained in an orderly

market.

An application for redemption that is received during a suspension period is to be treated as having been received before 5:00 pm on the next business day after the suspension ceases.

Right to transfer units

- 34 A holder of units may transfer units to another person with the trustee's consent. However, the units must first be offered to other unit holders at a price set by the trustee. The trustee must set the price, rounded to the nearest whole cent, for a unit on the basis of the following formula, applied on the date the transfer is to take place:

$$\text{Sale price} = \frac{\text{Net asset value} - \text{transaction costs}}{\text{Number of units on issue}}$$

'Net asset value' means the value of the assets less the liabilities of the trust as determined by the trustee under clause 100.

- 34.1 The trustee has an absolute discretion to give or withhold consent to a transfer to another person. The trustee does not have to give reasons for withholding consent.
- 34.2 A transfer must be in a form approved by the trustee, and must be signed by both the transferor and the transferee.

The transferor remains holder

- 35 The transferor remains the unit holder until the transferee is registered in the register as the holder of the units.

Transmission of units on the death of a unit holder

- 36 If a unit holder dies, the trustee will only recognise the legal personal representative of the deceased – or, in the case of a joint holder of units, the surviving joint holder – as entitled to an interest in the deceased's units.

Election by a personal legal representative

- 37 The legal personal representative of a deceased unit holder may elect in writing to be registered as the unit holder or to have another person registered as the unit holder. The trustee must act on the election, recording the transmission by election. A legal personal representative is not entitled to exercise any right as unit holder under this deed until he or she is registered. However, he or she may give a valid receipt for money received in respect of the units.

Issuing a new certificate

- 38 If the trustee has consented to a transfer or the legal personal representative of a unit holder has elected to be registered or to have some other person registered as the unit holder, the trustee must register the transferee, legal personal representative or other person as the holder of the units when the trustee is given a properly executed and stamped transfer in the correct form, plus the certificate for the units. The trustee must cancel the certificate, issue a new certificate to the new holder, and issue an amended

certificate to the previous holder if that holder continues to hold some of the units recorded on the cancelled certificate.

D Distributions

Trustee's right to determine meaning of income

39 The trustee may, instead of relying on the definition of 'income of the trust fund' set out in this deed, decide at any time prior to 30 June in a financial year to adopt, for that financial year, another definition of 'income of the trust fund'. A decision under this clause 39 must be made by signing a minute to that effect.

The trustee may accumulate income

40 During a financial year, the trustee may resolve to accumulate a part of the income for that financial year. The trustee may do so for any of the following purposes:

- to recoup a loss in an earlier financial year;
- as a reserve to meet contingencies, to provide for repairs and maintenance, for depreciation or for any other purpose.

The trustee may pay tax for an accumulated amount out of that amount or out of capital.

The distribution of income

41 The trustee must distribute the remaining income of the trust for a financial year to those who, immediately before the commencement of the next financial year, are unit holders. The trustee must do so in proportion to the number of units they hold.

Interim distributions

42 The trustee may decide to make an interim distribution to unit holders of the estimated income of the trust.

Other distributions

43 The trustee may at any time distribute any amount of capital or income to unit holders in proportion to the number of units each holds as at a date the trustee determines. The trustee may do so by way of cash payment or by issuing bonus units at the issue price determined at that date by the trustee.

Failure to resolve distribution or retention

44 If, before the commencement of the next financial year, the trustee fails to resolve to distribute remaining income from a financial year or to retain it, that income must be credited to a separate account in the books of the trust in the names of the unit holders. The money will be a debt to the unit holders and will not bear interest.

Trust for unit holder under a legal disability

45 The trustee may hold on trust for a unit holder who is under a legal disability any amount which is distributable under this deed to that unit holder, including a distribution in the form of an issue of units. The trustee may do so until the unit holder ceases to be under

a legal disability. The assets and income of that trust are not part of the assets or income of this trust.

Details of the trust for a unit holder under a legal disability

46 The trust for a unit holder under a legal disability is subject to the following rules:

- if the unit holder dies before ceasing to be under a legal disability, the trustee must hold the assets of that trust on trust for the unit holder's personal legal representative;
- the trustee may distribute assets of the trust towards the maintenance, education or benefit of the unit holder and may distribute assets to a trustee or guardian of that unit holder, without being responsible for what that person does with the distribution.

Allocation of income or capital of a category

47 If the trustee distributes or accumulates income or capital, the trustee does so on a pro rata basis to all unit holders. However, with the consent of all unit holders, the trustee may resolve that income of a financial year, or capital which is distributed or accumulated under this deed, is the whole or part of the income or capital of a category, with the result that all or part of that income or capital is specifically or separately allocated and identified in a distribution or accumulation.

Allocation of expenses

48 The trustee may allocate expenses and outgoings, at the trustee's discretion, to income or capital of any one or more categories. If the trustee does not do so, the expenses and outgoings are to be allocated in the following way:

- first, against income which is not income of a category;
- second, against income of a category to which a tax credit, rebate or exemption does not attach;
- third, against the remaining income.

Distributed income and capital remain in categories

49 Income or capital to which a unit holder becomes entitled and which can be identified as being of a category, remains of that category after the unit holder becomes entitled to it and after it is passed to or received by the unit holder.

Reinvestment

50 The trustee must determine the procedure for reinvestment in relation to distributions, while complying with the investment policy contained in the information memorandum. The trustee must give the unit holders 30 days' written notice of the procedure to be used.

Method of distribution

51 The trustee may distribute an amount for a unit holder under this deed in any one or more of the following ways:

- with the unit holder's consent, by placing the amount to the credit of the unit

holder in a 24 hour call account;

- by drawing a cheque for the amount payable to the unit holder or paying the amount into a bank account in the name of the unit holder;
- by paying the amount by cheque or in cash to a third person as directed by the unit holder;
- by satisfying any amount owed by the beneficiary to a third person;
- by applying any part of the amount towards satisfaction of money owing by the unit holder to the trustee on any account or owing to any other person;
- by transferring any of the assets of the fund in specie to the unit holder;
- if all the unit holders consent, by issuing units to the unit holder;
- by setting the amount aside in a separate account in the books of the trust in the name of the unit holder, which amount will be regarded as a liability of the trust.

An amount paid by cheque is to be paid either personally or by post to the unit holder's registered address.

E Meetings of unit holders

Convening meetings

- 52 The trustee may convene a meeting of unit holders at any time. The unit holders may require the trustee to do so by a notice signed by or for unit holders who hold more than 20% of the units on issue.

Notice of meetings

- 53 The trustee must give at least 7 clear days' written notice of a meeting to all unit holders, specifying the date, time and place of the meeting and the business that is to be transacted.

A meeting may only be held on shorter notice (but no less than 24 hours' notice) with the consent of unit holders who hold at least 75% of the units on issue.

Chair

- 54 At each meeting, the trustee must nominate a person, whether a unit holder or not, to be chair. The chair has a deliberative vote, but not a casting vote. The decision of the chair on any matter relating to the meeting and its resolutions is final.

The decision of questions

- 55 A question put to a meeting of unit holders is to be decided by a show of hands. However, this does not apply if:

- the question is to be decided by the holders of a prescribed percentage of the units on issue; or
- a poll is demanded.

In each case, a poll must be taken instead.

A poll

- 56 The unit holders who are present at a meeting may demand a poll. On a poll, each unit holder who is present is entitled to one vote per unit held. This does not apply to the extent of any special right, restriction or condition that attaches to a unit.

Voting

- 57 A unit holder may cast a vote personally, by proxy or by attorney; or, in the case of a company, by a representative.

Proxies etc

- 58 A proxy or appointment of a representative must be in a common form or a form approved by the trustee. A proxy must be signed by the unit holder. An appointment of a representative must be signed by the CEO or other officer of the corporation.
- A proxy must be deposited at the trustee's office at least 24 hours before the meeting to which it relates.

Meeting procedures

- 59 The quorum for a meeting is 2 or more unit holders who represent at least 50% of the units on issue. If there is only one person who holds units in the trust, that unit holder is the quorum.
- If a quorum is not present within 30 minutes after the scheduled commencement of the meeting, the meeting is adjourned to a time, date and place determined by the trustee. This does not apply if the unit holders required the meeting to be convened. In that case, the meeting is dissolved.
- The quorum for an adjourned meeting is those present.

The trustee may adjourn a meeting

- 60 The trustee may at any time adjourn a meeting to another time, date and place. The date must be no more than 21 days after the date of the adjourned meeting.

Resolutions are binding on all unit holders

64 The trustee has power to borrow and to offer guarantees to the extent that the trustee thinks fit.

Authority to act on the trustee's behalf

65 The trustee may authorise another person to exercise a power or discretion of the trustee. If the trustee authorises another person to exercise a power or discretion of the trustee, the trustee may include in the authority provisions to protect persons dealing with the authorised person. The trustee remains liable for the acts and omissions of the authorised person.

The trustee may appoint a manager

66 The trustee is not required to act personally, but may appoint a person to manage the trust on the trustee's behalf.

The trustee may insist on protection

Administration expenses

- 74 The trustee may pay all the expenses and costs of administering the trust out of the income or capital of the trust. If the trustee is engaged in a profession, the trustee may charge usual professional charges for any professional work done for the trust by the trustee or a professional, partner or employee.

Conflict of interests

- 75 The trustee (and an associate of the trustee) is entitled to be trustee of another trust, and to deal in any way with the trust established by this deed, or a unit holder, despite being trustee (or an associate of the trustee) of the trust. However, the trustee must disclose any interest of the trustee (or an associate) in a contract or transaction to unit holders before the contract or transaction is entered into. And the trustee (and associate) must also act in good faith at all times towards the unit holders in respect of the contract or transaction.

Release of a power

- 76 The trustee may release or revoke any power conferred on the trustee by this deed, except one which by the terms of this deed is irrevocable. Advice

- 78 The trustee may rely on advice from a qualified lawyer in relation to interpreting and applying this deed and anything to be done or not done under it. The trustee may rely on advice or information supplied by any other person in relation to any matter that the trustee believes in good faith is within that person's competence and will not be liable for relying on that advice or information.

G Appointment, retirement and removal of the trustee

The trustee of the trust

79 The initial trustee of the trust is named in the Schedule.

Appointment of a new trustee

80 The unit holders may appoint a new trustee by passing a special resolution. They may appoint a single trustee or more than one. The appointment is effective when the new trustee executes a deed binding the trustee to comply with this deed. Registration of the deed is not required unless the law demands it.

Retirement of the trustee

81 A trustee may retire by giving the unit holders 3 months' written notice, or such shorter period as specified in a special resolution of the unit holders. However, unless there is a remaining trustee, the resignation is only effective when a new trustee has been appointed.

Removal of the trustee

82 The unit holders may remove a trustee at any time in accordance with law or by passing a special resolution.

Termination of the appointment of the trustee

83 The appointment of a trustee terminates automatically if any of the following occurs:

- the trustee is found to be of unsound mind, or the trustee or his or her estate becomes liable to be dealt with in any way under a law dealing with mental health;
- the trustee becomes bankrupt or makes an arrangement or composition with his or her creditors;
- the trustee enters into compulsory or voluntary liquidation (except for the purposes of amalgamation or reconstruction), or has an administrator, receiver, official manager, or receiver and manager appointed to any part of its assets.

The transfer of assets

84 On retirement or removal of a trustee, or automatic termination of a trustee's appointment, the trustee must immediately do each of the following at the trust's expense:

- hand over the books, accounts, documents and property of the trust to the new trustee;
- do everything necessary to vest the assets of the trust in the new trustee;
- do everything reasonably required by the new trustee to hand over to the new trustee possession and control of any assets in the hands of third parties;
- do everything reasonably required by the new trustee to inform the new trustee of the full state of affairs of the trust.

H Variation and termination of trust

No variation of clause 80

85 Clause 80 concerning the appointment of a new trustee cannot be varied.

The trustee may vary this deed

86 Except as stated in clause 85, the trustee may vary this deed by resolving to approve the variation. The resolution must be signed by the trustee or by an authorised officer of the trustee. It is not necessary to execute a deed varying this deed in accordance with the resolution.

However, a variation concerning any of the following matters is not effective unless the unit holders consented to it by passing a special resolution at the time of the variation or before it:

- the beneficial interest of unit holders;
- the issue, transfer or redemption of units;
- the appointment or removal of a trustee;
- the variation of this deed;
- voting rights at meetings of the unit holders;
- limitation of the liability of unit holders; and
- termination of the trust.

Variation may not affect rights

87 The trustee may not vary this deed, without the consent of the affected persons, in a way that prejudicially affects:

- the rights of a unit holder to income of the trust previously set aside or held for the benefit of that unit holder;
- the rights of unit holders to participate in the income or capital of the trust in accordance with this deed.

The time variation takes effect

88 A variation takes effect on the date specified in the resolution. If no date is specified, it takes effect on the date of the resolution.

Termination date

89 The trust terminates 80 years after the date of this deed. It terminates at an earlier date if either of the following occurs:

- unit holders holding at least 90% of the units on issue notify the trustee that it is to terminate on a specified earlier date;
- the trustee decides in the interests of all unit holders that it should terminate at a specified earlier date.

Termination

- 90 On termination of the trust, the trustee must realise the assets of the trust, pay all its liabilities, and distribute the remainder (after deducting any amount the trustee is entitled to and any amount the trustee decides is appropriate to cover actual, contingent and future liabilities) to the unit holders in accordance with their entitlements, in proportion to the number of units in respect of which they are registered.

Retained amounts

- 91 The trustee must hold any retained amounts on trust for the unit holders in accordance with their entitlements at the time of termination of this deed.

Power to postpone a sale

- 92 The trustee may postpone the realisation of any asset for any period the trustee thinks desirable.

- Unit holders holding at least 20% of the units on issue may at any time request in writing that the trustee appoint an auditor to examine the books and accounts of the trust to ascertain whether any financial statement is correct and to inquire into the financial affairs of the trust. The unit holders may name the auditor or leave it to the trustee to choose one. The trustee must give the auditor access to the books and accounts and must give the auditor any information or explanation the auditor asks for and must co-operate fully with him or her. The costs of the audit are to be paid out of the trust. The trustee may terminate the services of the auditor.

The trustee may require proof

- 98 The trustee may require proof satisfactory to the trustee of the identity and right of a person to a unit or any interest in a unit.

Currency conversion

- 99 If it is necessary to convert an amount from one currency to another, the trustee must decide when the conversion is to take place and the basis on which it is to be done.

The trustee may value the assets and liabilities

- 100 The trustee may at any time value the assets and liabilities of the trust. In doing so, the trustee is not to be regarded as having a valuer's knowledge or any expertise in valuing assets. The trustee may determine what valuation methods and policies to apply. The valuation of an asset must be a market valuation unless the trustee decides that there is no market for an asset or that the market value does not represent its fair value.
- The trustee, in making a valuation of the assets and liabilities of the trust, may seek the opinion of the trust's auditors. If no auditor has been appointed to the trust, the trustee may seek the opinion from the trust's accountant. The auditor or accountant as the case may be must confirm to the trustee in writing the market value of the assets of the trust.
